- A sample set list is available upon request

Which Tier Should I Choose?

Tier 1 (Standard Performance) is perfect for smaller weddings, private parties, and events where great live music and clean sound are the priority without the need for a full visual production. **Tier 2 (Enhanced Lighting Show)** is our most popular option and ideal for most weddings, galas, and corporate events — it adds a dynamic light show that elevates the energy of the room and creates a polished, exciting atmosphere without going full concert-style. **Tier 3 (Full Production Show)** is best suited for large venues, festivals, and high-impact events where a true concert experience is desired, featuring a dynamic light show and a full production crew for maximum impact.

Booking Process

A **\$500 non-refundable** deposit** is required to secure your date. The remaining balance is due on the day of the performance.

***Deposits are transferable to a mutually agreed-upon alternate date, subject to availability.*
